I was proudly selected for the NSWGFA junior team to compete at the Central Coast game fishing club.

There were 2 other junior anglers plus Grahame, Steve and skipper Harry on our team.

Harry's boat "NEMO" is a 35ft Caribbean which was a great experience as before this I had never been on a boat bigger than our 18ft trailer boat.

During this tournament Grahame taught us fishing tips and rules, and all three anglers caught 2 fish each. We got to go to the briefing, presentation and stayed at the Galaxy Motel at night.

The whole experience was excellent and I recommend all juniors apply in the future. I would like to thank NSWGFA and fellow anglers Joshua and Corey plus decky Steve, skipper Harry and special thanks to Grahame.

Tyler Bowie.
